MOSSBURN Downlight 12W

Matt White

VOLTEX[®]

D-LUX

Available Options

Cool White

Code: K1039D2A-CW

Warm White

Code: K1039D2A-WW

Natural White

Code: K1039D2A-NW

ECONOMIC

Uses approximately 20% of power used by a conventional halogen downlight and lasts for up to 50,000 hours.

REDUCED GLARE

The recessed light chips reduce glare.

LESS HEAT

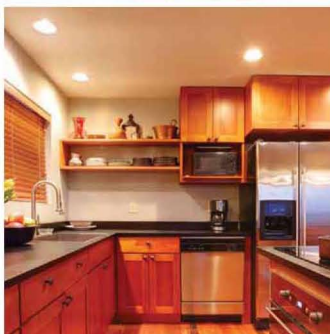

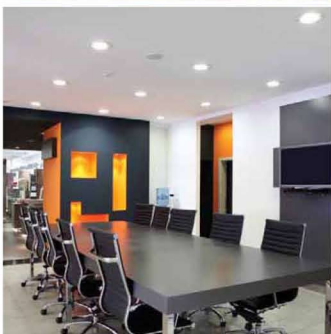

LED lights produce a fraction of the heat emissions of halogen downlights and are much safer.

MIRROR INTERIOR

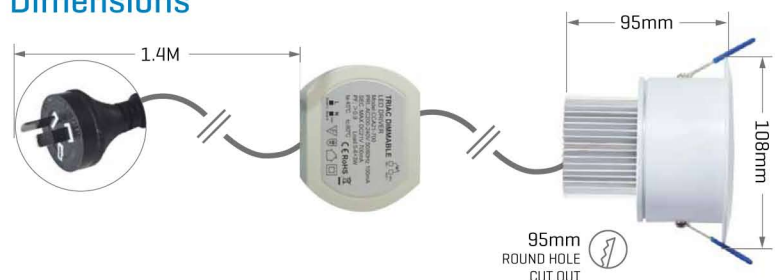

The beautiful mirror finish helps to reflect the light out. Attractive when switched on or off.
